WARRANTY EXCLUDES Consumable products such as: lamps/ irrigation tubes/ lubrication spray products / batteries - replaceable & rechargeable / Scaler & Surgical Tips / O Rings

NSK Product Warranty Terms and Conditions

NSK Warranty

The Warranty shall apply only to NSK products imported and distributed by NSK Oceania Pty Ltd Australia and NSK Oceania Ltd New Zealand.

All Warranty claims must include a copy of the original NSK Authorised Dealer invoice. All Warranty periods commence on the date of purchase (invoice date) + 1 week to allow for delivery.

Prior to dispatch from the NSK Factory, every NSK product is subjected to stringent quality control procedures and carefully checked. NSK Factory offers the following Warranty subject to the following conditions:

NSK Warranty periods vary depending on the product. The Warranty period for each product is included and exhibits parts and labour Warranty periods. Warranty is subject to NSK verifying that any apparent fault is due to material or production fault arising during the Warranty period. The NSK Warranty is confirmed in addition to all other rights and remedies under Consumer Law in the relevant country.

Warranty Exclusions within the Warranty period

The Warranty is void if damage to, or failure of, the product is in part or whole caused by:

- Failure to comply with the manufacturer's written instructions
- Use of the product for purposes other than those purposes intended by the manufacturer
- Misuse or negligent use of the product
- Damage whether accidental, wilful or intentional
- Continued use beyond the time any fault becomes apparent or known
- Use of inappropriate materials or solutions to wipe or clean the product
- Sterilization beyond the stated sterilization maximum temperature and time
- Failure to correctly adjust air pressure, water pressure, and electricity voltage to the manufacturers stated requirements
- Failure to correctly maintain or service the product
- Use under abnormal environmental and operating conditions
- Use of unauthorised service, repairs and alterations or use of accessories, components or spare parts other than original NSK
- Foreign matter such as dirt, debris, liquid or solutions entering the product
- Consumable items such as Lamps, Irrigation tubes, Lubrication spray, Batteries, Scaler & Surgical Tips, O Rings.

This Warranty does NOT include

- Normal wear and tear
- Cost of normal or scheduled maintenance, servicing or cleaning
- Labour costs, damage to property, personal injury, loss of profits, direct or indirect loss, consequential losses or any other expenses (to the extent as permitted by Law)
- Consumables and / or accessories

Warranty Conditions

- All Warranty claims must be registered directly with NSK Oceania within the Warranty period as specified above relevant to the particular NSK product
- Partially or completely disassembled products will not be accepted for Warranty claim
- NSK will solely determine if any Warranty claim is approved or not approved subject to the terms of the NSK Warranty

- NSK may consult with a qualified Contractor if deemed necessary to gather relevant information, and to correct a fault on installed NSK product(s) that cannot be easily returned to NSK Oceania
- NSK will cover the cost of valid Warranty claims excluding the cost of transporting such product to NSK Oceania
- If the NSK product is installed and cannot be returned to NSK Oceania, NSK will cover only the onsite labour cost of an Authorised Contractor, plus any relevant NSK parts
- The product is at the owners' risk while in transit
- The NSK Warranty is not transferable and is offered only to the original product owner
- Work performed under Warranty does not extend the original Warranty period in whole nor in part
